Gusta Foods | Booth F1309

Fish free tuna, vegan sausages, cheese, burgers, grounds, kebab, stuffed roast, patés and veggie chicken

gustafoods.com **Montreal, Quebec**

Gusta Foods' vegan sausages and seitan loaves get their flavour from succulent vegetables seasoned with the perfect herbs and spices. Some people find their taste to be equal to meat. Their vegan cheeses are made with a coconut oil base and flavoured with spices and nutritional yeast, which gives them an authentic cheesy taste. They have a solid form when chilled, but will melt perfectly, adding a little extra punch to your dishes. You can use them in anything you like: pizzas, cheese-topped dishes, grilled-cheese sandwiches, pasta, raclettes, etc.
